

## WASHINGTON AND GRIZZLY HILL WEEKLY UPDATE NOVEMBER 30-DECEMBER 4

### Welcome December

This coming week we will continue to be on our remote schedule. A remote schedule gives the district time to follow all safety procedures for COVID testing of staff and allows families time to do the same if they so choose.

### **\*\*TEACHING CHANGE FOR 7th GRADE AND WASHINGTON STUDENTS\*\***

- Note: Starting tomorrow there is a change in teacher assignment impacting seventh graders and Washington students.
- All 7th grade students, in both Washington and Grizzly Hill will have Ms. Grapel as a teacher.
- All 8th grade students will have Ms. Caughy.
- Washington students will have their specific grade level teacher but will now also have a "Teacher In Charge" on campus 2-3 days a week, each week. This teacher is Ms. Caughy.
- These teachers will be in contact soon. If you want to contact them, here is their information:
  - 7th grade, Ms. Alayna Grapel, [agrapel@tresd.org](mailto:agrapel@tresd.org)
  - 8th grade and all Washington students, Ms. Tiffany Caughy, [tcaughy@tresd.org](mailto:tcaughy@tresd.org).
- TRES D is committed to excellence in education and this change offers greater oversight and accountability for our Washington students. We look forward to the positive changes that Ms. Caughy will bring to Washington!

### Quarantining, Binder pickup and Hygiene Pantry

- The District office is open and parents are welcome on campus as long as you follow all health protocols. If you are quarantining, **please do not come to campus**. The schools will arrange for binder drop off at your home if your family is quarantining.
- Our Hygiene Pantry is currently full. Please, if you find yourself in short supply of something, give the Grizzly Hill office a call at 265-9052. We have supplies for you!

Stay safe and call the district office at 265-9052 with any questions. Be sure to read the November edition of TRES D TRACKS. A December issue will be out soon.

Sincerely,

Melissa Madigan
