School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Washington school is a rural school located in the Sierra Foothills 16 miles east of historic Nevada City, California. It opened its doors in 1905. Currently, there are six enrolled students in TK through 8th grade. The school enjoys an active and involved community and staff. The Washington School vision is where the staff, community and students work together to encourage responsibility, integrity, and an enthusiasm for learning.

Washington School is one of the last California one-room schoolhouses. The one room houses a learning area, a library, an administrative office area, and a kitchen. Outside it has a playground, a basketball court, and a small playing field.

All students have a Chromebook, printer, and Internet access.

Washington School is designated a Title 1 school. The school is located in a geographically isolated, low income, rural community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	1	1	.5	6
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

School Facility Conditions and Planned Improvements

Recently installed new windows. Relatively new roof- 10 years old. The school is maintained well. The District hired a part-time grounds keeper Washington School to keep abreast of all maintenance issues and also hired a professional to do a detailed, facilities inspection to help the district prioritize urgent needs.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 04/23/20

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good

Structural: Structural Damage, Roofs	Poor	

System Inspected	Rating	Repair Needed and Action Taken or Planned
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	
Overall Rating	Fair	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)		N/A	21	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents, grandparents, and other family members are encouraged to volunteer at our school. There are opportunities in the classroom, the library, and other extra-curricular activities. The Parent-Teacher Club always seeks assistance and involvement in multiple school-wide projects. In addition, the school seeks participation on the Site Council and other advisory committees. Please contact the District Secretary or the front office for further information on how to get involved.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions			5.6	4.3	3.5	3.5
Expulsions			0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	4	2.5
Expulsions	0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Twin Ridges Elementary School District has developed a comprehensive district-wide safety plan that provides actionable information when an emergency or safety issue occurs. The safety plan identifies possible safety situations and provides the district with informative information to shore up lagging areas and include and specific prevention and action strategies involving the community and local law enforcement agencies. Working with district goals and priorities, our school maintains a safe and secure campus by fostering a positive learning environment that uses prevention strategies and emphasizes high expectations for student conduct. The local fire department and community as a whole are involved with the school's safety plan process.

Types of Services Funded (Fiscal Year 2019-2020)

Having entered into Program Improvement, the school administration and staff began to look into local and state data along with feedback from students, parents, staff, and community members to determine our programs' potential weaknesses. We decided to focus our efforts and resources on Mathematics and English Language Arts. To provide teachers with the tools required to improve their instruction delivery, we negotiated minimum days every Wednesday to offer in-service, collaboration, meetings, and professional development. Also, the district added three more days to the teacher's calendar for the same purpose. All teachers have shared instructional aides to assist them within their classrooms. Our adult to student ratio is now under ten to one. Finally, the district hired a part-time Intervention Specialist that the teacher's recommendation would pull out struggling students to work with one-on-one or in small groups.

To assist students and families, we currently offer food delivery and other hygiene items and provide transportation to/from school when needed for students to receive additional educational services. Our counselor offers a Coffee with the Counselor once each month as an outreach effort.

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		3	

In the 2020-2021 year, additional professional development was provided to staff to become familiar with remote teaching strategies, become familiar with what teaching remotely will ask of them, and what it will look like and ask of their students. These topics were addressed with an academic as well as a social-emotional lens.

Previously, The District used local and state student data to identify student academic and social-emotional areas needing improvement. We determined that the district needed to spend more time and resources developing instructional practices in Mathematics, English Language Arts, and social-emotional topics allowing for full growth of the entire child.

- Professional Development has been delivered in a variety of ways.

We hired an expert to provide training on Step-Up to Writing to our certificated staff on-site during minimum days.

The County Office of Education put on county-wide collaborations in both Mathematics and English Language Arts. Our district provided substitute teachers for these collaborations.

Staff meetings are based on school-wide planning and collaboration. Additional teacher days were offered for further, teacher-specific professional development.

District teachers have been supported by having been provided time for planning and professional development. Every Wednesday is a minimum day for the school so teachers can meet together and hone in on their best practices and grow in their profession.

Three additional days were added to the teacher's work calendar to provide the time necessary for planning and Professional Development. Data is used to determine areas of focus and information on where to direct all resources available to provide the best educational service to our students.
