

Board Policy

Concepts And Roles

BP 2000

Administration

Note: The following optional policy may be revised to reflect district practice. Employment policies affecting management, supervisory, and confidential personnel are in the 4300 section of the policy manual.

The Governing Board recognizes that district administration performs essential roles and functions in support of student learning, including the provision of instructional support and services to schools as well as the responsible management of noninstructional operations. The Superintendent or designee may make decisions concerning district operations within the parameters of law and Board policy.

(cf. 2110 - Superintendent Responsibilities and Duties)
(cf. 9310 - Board Policies)

The Superintendent shall provide leadership in developing administrative regulations and organizational structures, decision-making processes, and staff action plans that allow the district to fulfill its vision and goals. The Board also expects the Superintendent to help shape the culture and environment of the district in a manner that focuses district operations on enhancing student achievement, encourages positive relationships within the community, and instills confidence in district schools.

(cf. 0000 - Vision)
(cf. 0100 - Philosophy)
(cf. 0200 - Goals for the School District)
(cf. 0500 - Accountability)
(cf. 2111 - Superintendent Governance Standards)

The Board and Superintendent shall work together as a team in the exercise of district governance. The Board and Superintendent shall establish protocols that describe how the governance team will operate, including, but not limited to, agreements regarding Board meeting operations and communications between the Superintendent and the Board.

(cf. 9000 - Role of the Board)
(cf. 9005 - Governance Standards)

Because the Superintendent is the only district employee who is directly selected and evaluated by the Board, the Board has a responsibility to ensure that the Superintendent possesses the skills and attributes that best meet the needs of the district.

(cf. 2120 - Superintendent Recruitment and Selection)

The Board and Superintendent shall agree upon a system for evaluating the Superintendent, including the evaluation criteria, method, evaluation instrument, process, and timeline.

(cf. 2140 - Evaluation of the Superintendent)

The Superintendent may delegate to other district staff any duties imposed upon him/her by the Board. This delegation shall not relieve the Superintendent of responsibility for actions taken by his/her designees.

(cf. 2210 - Administrative Discretion Regarding Board Policy)

(cf. 2230 - Representative and Deliberative Groups)

Board Policy

Superintendent Governance Standards

BP 2111

Administration

NOTE: This optional policy is based on a set of Superintendent Governance Standards adopted by both CSBA and the Association of California School Administrators. The standards focus on the governance role of the Superintendent and are not meant to include all of the Superintendent's responsibilities. These standards correlate with CSBA's Professional Governance Standards for Boards; see BB 9005 - Governance Standards.

The Governing Board recognizes that effective district governance requires strong collaboration and teamwork with the Superintendent. Because the Board and Superintendent each have their unique roles and responsibilities, both contribute to the responsible governance of the district and the quality of education provided to the community's students.

(cf. 2000 - Concepts and Roles)
(cf. 2110 - Superintendent Responsibilities and Duties)
(cf. 9000 - Role of the Board)
(cf. 9005 - Governance Standards)

The Superintendent is expected to hold himself/herself to the highest standards of ethical conduct and professionalism.

To support the Board in the governance of the district, the Superintendent:

1. Promotes the success of all students and supports the efforts of the Board to keep the district focused on learning and achievement
2. Values, advocates and supports public education and all stakeholders
3. Recognizes and respects the differences of perspective and style on the Board and among staff, students, parents/guardians and the community and ensures that the diverse range of views inform Board decisions
4. Acts with dignity, treats everyone with civility and respect, and understands the implications of demeanor and behavior
5. Serves as a model for the value of lifelong learning and supports the Board's continuous professional development

(cf. 9240 - Board Training)

6. Works with the Board as a "governance team" and assures collective responsibility for building a unity of purpose, communicating a common vision and creating a positive organizational culture

(cf. 0000 - Vision)

7. Recognizes that the Board/Superintendent governance relationship is supported by the management team in the district

8. Understands the distinctions between Board and staff roles, and respects the role of the Board as the representative of the community

9. Understands that authority rests with the Board as a whole; provides guidance to the Board to assist in decision-making; and provides leadership based on the direction of the Board as a whole

10. Communicates openly with trust and integrity, including providing all members of the Board with equal access to information and recognizing the importance of both responsive and anticipatory communications

11. Accepts leadership responsibility and accountability for implementing the vision, goals and policies of the district

Board Policy

Superintendent Recruitment And Selection

BP 2120

Administration

***Note: The following optional policy may be revised to reflect district practice. ***

The Governing Board recognizes that it has a direct responsibility to select and employ the Superintendent. Whenever it becomes necessary for the Board to fill a vacancy in the position of Superintendent, the Board shall work diligently to employ a person whose management and leadership abilities are most closely aligned with district needs.

(cf. 2000 - Concepts and Roles)

(cf. 2110 - Superintendent Responsibilities and Duties)

(cf. 2111 - Superintendent Governance Standards)

(cf. 9000 - Role of the Board)

The Board shall establish and implement a search and selection process that includes consideration of:

1. The district's current and long-term needs, including a review of the district's vision and goals

(cf. 0000 - Vision

(cf. 0100 - Philosophy)

(cf. 0200 - Goals for the School District)

2. The desired characteristics of a new Superintendent, including professional experience, educational qualifications, leadership characteristics, philosophy of education, and other management, technical, interpersonal and conceptual skills, as well as the priorities the Board wants to place on different abilities, traits and levels of knowledge

3. The scope of the search, including whether to promote from within the district or broaden the search to include both internal and external candidates and, if external candidates will be considered, whether to conduct a statewide or nationwide search

4. The salary range and benefits to be offered

5. Basic elements to be included in the Superintendent's contract

6. Whether to hire a professional adviser to facilitate the process

7. How and when to involve the community in certain phases of the selection process

(cf. 1000 - Concepts and Roles)
(cf. 1220 - Citizen Advisory Committees)

8. The best methods for advertising the vacancy and recruiting qualified candidates
9. The process for screening applications and determining how the screener(s) will be selected
10. Interview questions, processes and participants
11. How and when candidates' qualifications will be verified through reference checks

(cf. 4112.5/4212.5/4312.5 - Criminal Record Check)

12. Other actions necessary to ensure a fair selection process and a smooth transition to new leadership

Even if a professional adviser is used to facilitate the process, the Board shall retain the right and responsibility to oversee the process and to review all applications if desired.

The Board shall select candidates to be interviewed based on recommendations of the screener(s) and the Board's own assessment of how candidates meet the criteria established by the Board.

***Note: Pursuant to Government Code 54957, specified personnel matters, including interviews and deliberation of the appointment or employment of an employee, may be discussed in closed session as provided in the following paragraph. See BB 9321 - Closed Session Purposes and Agendas. ***

The Board shall interview preliminary and final candidates in closed session and determine the most likely match for the district. (Government Code 54957)

***Note: Education Code 35029 authorizes the Board to waive the credential requirements of Education Code 35028. However, Education Code 35029.1, added by AB 96 (Ch. 135, Statutes of 2001), prohibits a district from employing a superintendent whose credential has been revoked by the Commission on Teacher Credentialing. ***

The selected candidate shall hold both a valid school administration certificate and a valid teacher's certificate. The Board may waive any credential requirement, but shall not employ a person whose credential has been revoked by the Commission on Teacher Credentialing pursuant to Education Code 44421-44427. (Education Code 35028, 35029, 35029.1)

***Note: Government Code 54954, as amended by SB 1771 (Ch. 257, Statutes of 2004), authorizes a quorum of the Board to meet in another district to (1) interview members of the public about the potential employment of an applicant for superintendent, and (2) interview a potential employee from that district. Previously, Government Code 54954 only authorized the

Board to interview members of the public when the Board was considering hiring the superintendent from the other district. See BB 9320 - Meetings and Notices. If less than a quorum of the Board participates in an interview, the Brown Act may not apply. Because this is a complex area of law, it is strongly recommended that Boards consult with legal counsel prior to visiting a candidate's district.

Before offering the position to the selected candidate or making any announcements, Board members may visit that candidate's current district, as appropriate, to obtain verification of his/her qualifications.

The Board shall deliberate in closed session to affirm the selection of the candidate and shall report the selection in open session. (Government Code 54957)

(cf. 2121 - Superintendent's Contract)
(cf. 9321 - Closed Session Purposes and Agendas)
(cf. 9321.1 - Closed Session Actions and Reports)

***Note: Pursuant to Government Code 53262 and 54957, the Board may develop contract language in closed session, but the contract must be ratified in open session; see BP 2121 - Superintendent's Contract. ***

The Board shall conduct these proceedings in accordance with legal and ethical obligations regarding confidentiality and equal opportunity.

(cf. 4030 - Nondiscrimination in Employment)
(cf. 4032 - Reasonable Accommodation)
(cf. 4111.2/4211.2/4311.2 - Legal Status Requirement)
(cf. 9011 - Disclosure of Confidential/Privileged Information)

As necessary, the Board may appoint an interim superintendent to manage the district during the selection process.

Board Policy

Superintendent's Contract

BP 2121

Administration

Note: The following optional policy should be modified to reflect district practice.

The Governing Board believes that the Superintendent's employment contract should outline the framework through which the Board and Superintendent will work together as a governance team to achieve district goals and objectives. When approving the Superintendent's employment contract, the Board shall consider the value of stability in district administration, the best use of district resources, and the Board's duty to ensure accountability to the public for the performance of the district's schools.

(cf. 0200 - Goals for the School District)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 2120 - Superintendent Recruitment and Selection)
(cf. 4312.1 - Contracts)
(cf. 9000 - Role of the Board)

Note: The following list of contract components is consistent with a template for superintendent contracts developed by CSBA. The annotated template contract with additional context and suggestions is available through CSBA's web site.

The contract shall be reviewed by the district's legal counsel and may include the following:

1. Term of the contract, which shall be for no more than four years pursuant to Education Code 35031
2. Length of the work year and hours of work
3. Salary, health and welfare benefits, and other compensation for the position, including a statement that any subsequent increase in the Superintendent's salary shall be at the sole discretion of the Board

(cf. 4154/4254/4354 - Health and Welfare Benefits)

4. Reimbursement of work-related expenses, including mileage reimbursement, consistent with Board policies, regulations, and guidelines applicable to other professional administrative staff

(cf. 3350 - Travel Expenses)

The contract may also address payment for professional dues and activities, the district's provision of cell phones or other technological devices, and the use of a personal vehicle.

(cf. 4040 - Employee Use of Technology)

5. Vacation, illness and injury leave, and personal leaves

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

(cf. 4161.5/4261.5/4361.5 - Military Leave)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

6. Professional development

7. General duties and responsibilities of the position

(cf. 2110 - Superintendent Responsibilities and Duties)

8. Criteria, process, and procedure for annual evaluation of the Superintendent

(cf. 2140 - Evaluation of the Superintendent)

9. A statement that there shall be no automatic renewal or extension of the contract, although the Board can enter into a new contract with the Superintendent prior to the expiration of the existing contract

Note: Pursuant to Education Code 35031, if the Governing Board decides not to reemploy the Superintendent, it must provide notification at least 45 days before the contract expires. If the Board fails to provide the required prior written notice, the Superintendent shall be deemed reemployed for a term of the same length as the one completed, under the same terms and conditions, and with the same compensation.

10. Timeline for providing written notice to the Superintendent if the Board does not wish to enter into a new contract, which shall be at least 45 calendar days in advance of the expiration of the term of the contract pursuant to Education Code 35031, and the responsibility of the Superintendent to remind the Board in writing and in a timely manner of the requirement to give notice

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Note: See section on "Termination of Contract" below for limitations to maximum cash settlements.

11. Conditions and process for termination of the contract, including the maximum cash settlement that the Superintendent may receive if the contract is terminated prior to its expiration

date

12. Matters related to liability and indemnification against demands, claims, suits, actions, and legal proceedings brought against the Superintendent in the Superintendent's official capacity in the performance of employment-related duties

Note: Pursuant to Government Code 54957, personnel matters related to the appointment or employment of an employee may be discussed in closed session under the "personnel exception." However, Government Code 54957 prohibits the use of closed session for discussion or action on any proposed change in compensation other than a reduction of compensation that results from the imposition of discipline. In *San Diego Union v. City Council*, a California Court of Appeal held that the "personnel exception" provided in Government Code 54957 does not extend to discussions of salary and compensation.

Note: Notwithstanding Government Code 54957, the Board is authorized pursuant to Government Code 54957.6, the "labor exception," to hold closed sessions with the district's designated representatives regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits to its represented and unrepresented employees, including the Superintendent. The Attorney General has opined in 57 Ops. Cal. Atty. Gen. 209 (1974) that a board may only meet in closed session for such purposes with a designated representative who is involved with the "bona fide" negotiations with represented and/or unrepresented employees. The Attorney General's publication *The Brown Act: Open Meetings for Local Legislative Bodies* also states that the "labor exception" applies to meeting in closed session to instruct its representatives concerning negotiations with prospective employees. Boards wishing to discuss the Superintendent's salary in closed session under the "labor exception" are encouraged to consult legal counsel before doing so.

Note: In addition, pursuant to Government Code 54956, the Board is prohibited from deliberating on the salary or other compensation of the Superintendent at a special meeting. See BB 9320 - Meetings and Notices and BB 9321 - Closed Session.

Note: The following paragraph should be revised to reflect district practice.

The Board may deliberate about terms of the contract in closed session at a regular meeting. However, discussions regarding the salary, salary schedule, or other compensation may occur in the closed session of a regular meeting only between the Board and its designated representative(s), as permitted under Government Code 54957.6 (the "labor exception"), for the purpose of reviewing the Board's position and/or instructing the designated representative(s) prior to or during bona fide negotiations with the current or prospective Superintendent. Such deliberations shall not be held during a special meeting. (Government Code 54956, 54957, 54957.6)

The Board may consult with district legal counsel prior to holding a closed session with the designated representative(s) to discuss compensation to be paid to the current or prospective Superintendent.

(cf. 9320 - Meetings and Notices)
(cf. 9321 - Closed Session)

Terms of the contract shall remain confidential until the ratification process commences.

(cf. 9011 - Disclosure of Confidential/Privileged Information)

Note: Pursuant to Government Code 54953, the Board must, in open session, orally report a summary of the recommendation for final action on the Superintendent's salary or benefits and must make related records available to the public in accordance with the California Public Records Act. Thus, Government Code 54953 limits the Board's ability to approve changes to salary or benefits as part of a consent calendar and instead requires such approval to be a separate agenda item. For identical requirements regarding final action on the salary or benefits of other district executives, see BP 4312.1 - Contracts.

The Board shall take final action on the Superintendent's contract during an open session of a regularly scheduled Board meeting, and that action shall be reflected in the Board's minutes. At that meeting, prior to taking action, the Board shall orally report a summary of the recommendation for the final action on the Superintendent's salary or compensation in the form of fringe benefits. (Government Code 3511.1, 53262, 54953)

Copies of the contract and other public records created or received in the process of developing the recommendation related to the Superintendent's salary, benefits, and other compensation shall be available to the public upon request. (Government Code 53262, 54953)

(cf. 1340 - Access to District Records)
(cf. 3580 - District Records)

Termination of Contract

Note: Pursuant to Government Code 53260, every employee contract must include a provision limiting the maximum cash settlement the employee may receive upon termination of the contract to an amount equal to the monthly salary multiplied by the number of months left on the contract. For a Superintendent contract, Government Code 53260 provides that the maximum cash settlement is the monthly salary multiplied by 12. Cash settlements may be less than these maximums. The district must make contracts of employment, which include the termination agreements, available to the public upon request. See AR 4117.5/4217.5/4317.5 - Termination Agreements.

Prior to the expiration of the contract, the Board may terminate the Superintendent's employment contract in accordance with law and applicable contract provisions.

(cf. 4117.5/4217.5/4317.5 - Termination Agreements)

In such an event, the maximum cash settlement that the Superintendent may receive upon termination of the contract shall not exceed the Superintendent's monthly salary multiplied by the

number of months left on the contract or the Superintendent's monthly salary multiplied by 12, whichever is less. (Government Code 53260)

The cash settlement shall not include any noncash items other than health benefits, which may be continued for the same duration of time as covered in the settlement or until the Superintendent finds other employment, whichever occurs first. (Government Code 53260, 53261)

However, when the termination of the Superintendent's contract is based upon the Board's belief and subsequent confirmation through an independent audit that the Superintendent has engaged in fraud, misappropriation of funds, or other illegal fiscal practices, no cash or noncash settlement of any amount shall be provided. (Government Code 53260)

In addition, if the Superintendent is convicted of a crime involving an abuse of office or position, the Superintendent shall reimburse the district for payments received as paid leave salary pending investigation or as cash settlement upon termination, and for any funds expended by the district in defending the Superintendent against a crime involving the Superintendent's office or position. Board Policy

Evaluation Of The Superintendent

BP 2140

Administration

Note: The following optional policy should be revised to ensure consistency with specific evaluation provisions in the Superintendent's contract. Information and training on effective superintendent evaluation are available through CSBA's Governance Consulting Services.

The Governing Board recognizes its responsibility to establish an evaluation system that enables a fair assessment of the Superintendent's effectiveness in leading the district toward established goals, serves to support his/her continued growth in leadership and management skills, and provides a basis for Board decisions regarding contract extension and compensation. The Board shall annually conduct a formal evaluation of the Superintendent's performance and may provide additional opportunities throughout the year to review the Superintendent's progress toward meeting established goals.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)
(cf. 0500 - Accountability)
(cf. 2121 - Superintendent's Contract)
(cf. 9000 - Role of the Board)
(cf. 9005 - Governance Standards)

Note: In *Duval v. Board of Trustees*, the court held that a board could meet in closed session to select the criteria for the superintendent's evaluation, establish a fact-gathering mechanism, and designate particular areas of emphasis because these actions might reflect the board's initial perception of the superintendent's performance since the last evaluation. District legal counsel should be consulted with questions regarding the permissible scope of closed session discussions regarding superintendent evaluation.

The Board shall determine, with the Superintendent's input, the criteria, schedule, method(s), and instrument(s) to be used for the Superintendent's evaluation. Evaluation criteria shall include, but are not limited to, district goals and success indicators; educational, management, and community leadership skills; and the Superintendent's professional relationship with the Board.

(cf. 2110 - Superintendent Responsibilities and Duties)
(cf. 2111 - Superintendent Governance Standards)

Prior to the evaluation, the Superintendent shall provide to the Board for its review a report of progress toward district goals, the Superintendent's self-appraisal of accomplishments and performance, and a statement of actions taken to address any Board recommendations from the previous evaluation.

Note: Typically, each Board member individually evaluates the Superintendent and those individual evaluations are then summarized into one document. In some districts, the Board president is given the authority to develop this composite document while, in others, the Board appoints a subcommittee or another Board member to develop it. The full Board takes action on the composite document that is provided to the Superintendent. The following paragraph is optional and may be modified to reflect district practice.

Each Board member shall independently evaluate the Superintendent's performance based upon the evaluation criteria, after which the Board shall produce a single document that integrates the individual evaluations and represents the consensus of the Board.

(cf. 9121 - President)

The evaluation shall provide commendations in areas of strength and achievement and recommendations for improving effectiveness in any areas of need, concern, or unsatisfactory performance.

Note: Pursuant to Government Code 54957, the Board and Superintendent may meet in closed session to discuss the Superintendent's evaluation, but must not use the public employee performance evaluation exception for discussion or action on any proposed change in compensation other than a reduction in compensation that results from the imposition of discipline. In addition, the Board may meet in closed session with its negotiator pursuant to the labor negotiations exception to discuss any proposed change in compensation for unrepresented employees, including the Superintendent. See BP 2121 - Superintendent's Contract and BB 9321 - Closed Session Purposes and Agendas.

The Board shall meet in closed session with the Superintendent to discuss the evaluation.
(Government Code 54957)

(cf. 9321 - Closed Session Purposes and Agendas)
(cf. 9321.1 - Closed Session Actions and Reports)

At this meeting, the Superintendent shall have an opportunity to ask questions, respond verbally and in writing to the evaluation, and present additional information regarding his/her performance or district progress.

The discussion shall include the establishment of performance goals for the next year and may identify professional development opportunities for the Superintendent and/or the entire governance team to address areas of concern, strengthen the relationship between the Superintendent and Board, or enhance the Superintendent's knowledge of current educational issues and leadership and management skills.

(cf. 9240 - Board Training)
(cf. 9400 - Board Self-Evaluation)

Note: The following paragraph may be revised to reflect district practice. In *Versaci v. Superior Court*, the court of appeals held that, if the Superintendent's personal performance goals are not incorporated into his/her employment contract, then they are not subject to disclosure under the California Public Records Act (Government Code 6254.8). According to the court's ruling, a general statement in the contract referring to goal setting in conjunction with performance evaluations does not clearly and unequivocally evidence the parties' intent to incorporate the future goals into the contract.

After the Board and Superintendent have discussed the evaluation, the Board president and Superintendent shall sign the evaluation and it shall be placed in the Superintendent's personnel file. The evaluation, including personal performance goals, shall be confidential to the extent permitted by law.

Note: The following optional policy may be revised to reflect district practice.

The Governing Board desires to be proactive in communicating its philosophy, priorities, and expectations for the district; clarifying the roles and responsibilities of the Board, Superintendent, and other senior administrators; and setting direction for the district through written policies. In such situations, or when immediate action is necessary to avoid any risk to the safety or security of students, staff, or district property or to prevent disruption of school operations, the Superintendent or designee shall have the authority to act on behalf of the district in a manner that is consistent with law and Board policies.

BP 2230

Administration

Note: The following optional policy may be revised as desired to reflect district practice.

The Governing Board believes that broad input on district operations and policy from staff, parents/guardians, students and members of the public can provide the district with a diversity of viewpoints and expertise, help build a sense of ownership of the schools, enhance district efficiency and assist district communications. As desired, the Superintendent or designee may establish a management team, administrative councils, task forces, cabinets or committees in accordance with law.

(cf. 1220 - Citizen Advisory Committees)
(cf. 4301 - Administrative Staff Organization)

The membership, composition and responsibilities of these groups shall be defined by the Superintendent or designee. The Superintendent or designee may establish, change or dissolve these groups at his/her discretion.

Groups established by the Superintendent or designee shall act in an advisory capacity unless specifically authorized to act on behalf of the Superintendent or designee. Advisory groups shall submit their recommendations to the Superintendent or designee, who may report the recommendations to the Board as appropriate.

(cf. 9130 - Board Committees)

Expenses incurred for consulting services, materials, travel or other related operations shall be approved by the Superintendent or designee in advance.
