

Community Schools Info Sheet

Twin Ridges Elementary School District is the recipient of a Community Schools Implementation Grant that will bring a total of \$712,500 over the course of 5 years to benefit the students of Grizzly Hill School

Our District's Community Schools Plan Supports

Expanded learning:

student-centered, place-based learning opportunities

Services for students and families:

medical, dental, mental health, nutrition, support to access additional needed services, home visits

A campus wellness space:

dedicated room that students can visit to take a break, practice self-care, regulate and return to learning

Avenues of communication:

Ridge Connections community newsletter with dedicated pages for content from Grizzly Hill School and its students, monthly Coffee with the Principal events, surveys for parents, caregivers, students and staff, one-on-one interviews with staff, open door for input and feedback

Support for student interests:

clubs, afterschool offerings, events

Family Forums and Circles of Support:

monthly gatherings for parents, caregivers and children at the San Juan Ridge Family Resource Center

Community classes:

babysitting certification, first aid and CPR
